

Creative Commons Information Pack

The National Copyright Unit and Creative Commons Australia have jointly developed an information pack for teachers and students on Creative Commons (CC). The pack explains what Creative Commons (CC) is, how to find CC material and the best way to attribute CC material.

- What is Creative Commons?
- How to find Creative Commons licensed materials
- How to find Creative Commons materials using the Creative Commons Search Portal
- How to find Creative Commons materials using Google
- How to find Creative Commons materials using Yahoo!
- How to find Creative Commons materials using Mozilla Firefox
- How to attribute Creative Commons licensed materials

The Smartcopying website has been produced by the National Copyright Unit on behalf of the Copyright Advisory Groups (Schools and TAFEs).

Except where otherwise noted, content on this site is licensed under a Creative Commons Attribution-ShareAlike 3.0 Australia Licence.
